B. A. Fahnestock's Vermifuge. We invite attention to the advertisement of this very valuable medicine. We have repeatedly heard it warmly recommended by some of the most distinguish ed physicians of our city, as the very best remedy of the kind now in use From the Rev. T J. Fisher, a Baptist minister in

Kentucky:

Hodden Nulle, Ky., April 11th, 1846.

This is to certify that I have administered B. A.
Fahnestock's Vermifuge with unparalleled success,

Read the following from a highly respectible house in Knoxville, Tenn., March 4th, 1846, It (the Vermifuge) has proved the best article of the kind which has ever been used in this part of the country; we have other prepeations for sale but always recommend yours when our opinion is asked.

S. MANSFIELD & Co. Unparalleled Imposition and Effrontery! An individual named S. Fahnestock has repeatedly asserted that the article which he calls "Dr. S. Fah-

nestock's Vermifuge," and which he acknwledges is made after another man's receipe, is the same or the equal to the Vermifuge made by me. The Public are assured that this is a base falsehood and are hereby cautioned against confounding the spurious article with mine. It is entirely different in its composition and does not possess the virtues and owers of my preparation. B. A. FARNESTOCK.
